UNEMPLOYMENT INSURANCE BENEFITS FRAUD AMNESTY PROGRAM

If you are a claimant who has requested payment on CUBLine Online or CUBLine and did not report any hours you worked and/or any money you earned, you could be committing fraud. We are offering a temporary Fraud Amnesty Program that will waive all fraud penalties, if you contact us and report your activities.

WHO: Anyone who has committed fraud by not reporting any hours worked and/or any money earned while requesting payment for and collecting unemployment benefits.

WHAT: Waiver of monetary and time penalties from the Colorado Employment Security Act 8-81-101 (4)(a)(II).

WHEN: October 1 through December 31, 2011.

WHY: To provide an incentive for anyone who reports that he or she incorrectly collected benefits while working, by waiving time and monetary penalties.

HOW: Call the Unemployment Insurance Benefits Fraud Amnesty Program hotline at 303-318-9035 ext. 83335 to sign up for the program. A representative will determine your eligibility.
